Dear Candidate:

It was with great pleasure that I received your interest in being nominated to one of the United States military service academies. Enclosed is your application form, as well as pertinent information necessary for its completion.

Our country's military service academies provide exceptional opportunities to their graduates: honor through service to the United States; a first-rate education with outstanding technical training; fulfillment of career aspirations; and chances for positions of leadership. Please take the time to survey each academy and to consider all that each school has to offer. Providing me with alternate choices could enhance your chances for a nomination leading to an appointment. Now that you have initiated the nomination process with my office, please be certain to register directly with the academies in which you are interested.

Being selected for nomination to a military service academy is an exceptional honor and responsibility. It is my privilege to make these nominations, and you can be assured that it is a responsibility that I take most seriously.

The process toward achieving a nomination is a long and arduous one. I would like to commend you for the commitment you have made toward reaching your goal and wish you the very best of success in achieving it.

Should you have further questions regarding this application or my nomination selection process, please call my Military Academy Coordinators, Cherrie Smalls and Matthew Nathan at (770) 210-5073.

Sincerely,

David Scott
Member of Congress
