The Honorable Mike Quigley
Ranking Member
Subcommittee on Transportation,
Housing and Urban Development,
and Related Agencies

Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the City of Stockbridge Pedestrian Bridge Project in fiscal year 2024. The entity to receive funding for this project is the City of Stockbridge, located at 4640 N Henry Blvd, Stockbridge, GA 30281. The funding would be used to support completion of the preliminary steps for a pedestrian bridge. The project is an appropriate use of taxpayer funds because the bridge will eventually provide safe connectivity on a heavily traveled arterial roadway that provides access to many residences and businesses and passageway to downtown.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I nor my immediate family has no financial interest in this project.

Sincerely,

David Scott
Member of Congress
