The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clayton Police Department Real Time Crime Center Expansion Project in Fiscal Year 2027. The entity to receive funding for this project is the Clayton County Police Department located at 7911 N McDonough Street, Jonesboro, Georgia 30236. The Clayton County Police Department would use this funding to upgrade its real-time crime center, including closed circuit television monitoring, license plate reader systems, flock camera integration, real-time video monitoring and analytics, and data sharing equipment. The project is an appropriate use of taxpayer funds because it would improve law enforcement response and preparedness as the crime center serves as a centralized intelligence hub that supports crime prevention and investigations.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott  
Member of Congress
