The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Conyers Technology and Equipment for Strategic Preparedness Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Conyers Police Department located at 1194 Scott Street, Conyers, GA 30012. The City of Conyers Police Department would use this funding to purchase a mobile command vehicle and LTE-enabled portable radios. The project is an appropriate use of taxpayer funds because it will improve officer preparedness during large-scale incidents, high-threat situations, hostage rescue, and disaster response to enhance the safety of first responders and civilians.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
