The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of East Point Elevated Storage Tank Project in Fiscal Year 2025. The entity to receive funding for this project is the City of East Point, GA located at 2727 East Point Street, East Point, Georgia 30344. The City of East Point would use this funding to add water storage capacity to service the City of East Point's population. The project is an appropriate use of taxpayer funds because it will serve the growing demand for safe drinking water to tens of thousands of residents and visitors to Georgia's 13th Congressional district.

The project has a federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
