Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for **East West Connector Corridor Improvement** in surface transportation reauthorization legislation.

The project sponsor for this project is **Cobb County Department of Transportation** and the project is located at **Fontaine Road to South Cobb Drive, Smyrna, GA 30162 and 30082**.

The funding is designated for a **segment of East-West Connector that is a pinch point (Fontaine Road to South Cobb Drive) as traffic to/from the south and west use the corridor to travel to/from I-285 and the Cumberland areas**.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. **Benefits of this project would include turn lane improvements at key intersections, such as Cooper Lake Road, which will increase the roadway capacity and vehicular safety, as well as enhance pedestrian safety for users of the Silver Comet Trail. The area currently has a higher accident reoccurrence than other areas along the corridor.**

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
