Section Two: Official Request

Bill (e.g., Agriculture; CJS, Defense, T-HUD):

Account (must be one of the specific accounts listed above):

Suggested Title of Request:

Detailed description of funding request:

Dollar amount requested (smaller requests are more likely to be fully funded, but applicants are encouraged to submit the total amount needed for a project):

Please provide a detailed spend plan and itemized budget (attach if needed) for the requested funding, breaking down anticipated expenditures for each major category of project activity:

How this request, if funded, will help GA-13, the State of Georgia more broadly, and the nation:

Describe the current status of this project; describe any previous requests you have made for government (federal, state, local) funding; and confirm that, if funding is provided, the project can be implemented swiftly and effectively:

Please outline what supporting materials you have to demonstrate community need and community support for this project (and attach documents, including at least two letters of support). Who are the participating community partners?

Can the project obligate all appropriated funds within 12 months after enactment? What are the estimated start and end dates?

Please use this space to input any additional information that is required/requested pursuant to the account-specific Appropriations Committee instructions. Please strictly adhere to the relevant Submission Guidance documents that are hyperlinked on Page 2 and 3 of this document:
