The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Fairburn Water Supply Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Fairburn, GA located at 56 Malone Street S.W. Fairburn, GA 30213. The City of Fairburn would use this funding to connect new water mains to an additional water supply source. The project is an appropriate use of taxpayer funds because it will ensure appropriate water supply and water pressure for citizens, firefighters, schools, and businesses.

The project has a federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
