The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Fayetteville Stormwater Rehabilitation Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Fayetteville, GA located at 210 Stonewall Ave W., Fayetteville, GA 30214. The City of Fayetteville would use this funding to line three 72-inch diameter corrugated metal pipe culverts, add additional piping and establish a drainage ditch to expand the capacity of the storm drainpipe. The project is an appropriate use of taxpayer funds because it will ensure no disruption to utilities and upgrade current deterioration.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
