Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for **Forest Hill Interparcel Access Road** in surface transportation reauthorization legislation.

The project sponsor for this project is **Georgia DOT** and the project is located at **Powder Springs, GA 30127**.

The funding is designated for **an interparcel access road parallel to Powder Springs Road that would enable safe turning movements from commercial and residential properties fronting a 4-lane road with center turn lane.**

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: **will help eliminate serious injuries and death (fatality having occurred within previous 6 months). Additionally, the safety improvements would facilitate redevelopment of underutilized properties for the economic benefit of the community.**

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
