Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for **Global Gateway Connector** in surface transportation reauthorization legislation.

The project sponsor for this project is **City of College Park** and the project is located at **Camp Creek Parkway at Napoleon Street, College Park, 30337**.

The funding is designated to **create a bike/ped trail starting at Convention Center Concourse between the Skytrain and the Spring Hill Suites Atlanta Airport Gateway Hotel at the Georgia International Convention Center (GICC) ending at the intersection of John Wesley Ave and W Main St in downtown College Park, across the street from the College Park MARTA Station.**

The project is an appropriate use of taxpayer dollars and is anticipated to have the following **economic and safety benefits by providing residents and tourists a safe walkway to the area's amenities.**

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
