The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Gwinnett County Accessible Pedestrian Signal Upgrades Project in Fiscal Year 2027. The entity to receive funding for this project is the Gwinnett County Board of Commissioners located at 75 Langley Drive, Lawrenceville, GA 30046. The Gwinnett County Board of Commissioners would use this funding to make several pedestrian improvements in high-traffic areas, including the installation of accessible pedestrian signals, crosswalk infrastructure and curb ramps. This project is an appropriate use of taxpayer dollars because it will improve pedestrian access to high-traffic, commercial areas, especially for residents with disabilities.

The project has a federal nexus because the funding provided is for purposes authorized by section 42 U.S.C. 5305(a)(2).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
