The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jonesboro Enhancing Law Enforcement and Public Safety Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Jonesboro Police Department located at 1859 City Center Way, Jonesboro, Georgia 30236. The City of Jonesboro Police Department would use this funding to purchase one portable message board trailer, three portable LED light tower trailers, one speed detection trailer, thirty stop sticks, four rapid ID devices, four alcohol detection services, eight police cruisers, ten laptops, thirty body cameras, and twenty-six in-car cameras. The project is an appropriate use of taxpayer funds because it will improve officer reporting, access to real-time information, and public communication during public emergencies while strengthening routine police patrol activities.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
