The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lovejoy Multi-Modal Safety and Economic Connectivity Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Lovejoy located at 2296 Talmadge Road, Lovejoy, GA 30250. The City of Lovejoy would use this funding to improve pedestrian and commuter safety along commercial corridors, including sidewalk connectivity, pedestrian crossing improvements, installation of lighting infrastructure, and ADA-compliant ramps. This project is an appropriate use of taxpayer dollars because it will increase access to commercial areas and improve the flow of commerce through the area, increasing business for local businesses.

The project has a federal nexus because the funding provided is for purposes authorized by section 42 U.S.C. 5305(a)(2).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
