The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the MARTA Securing Rail and Bus Facilities Project in Fiscal Year 2026. The entity to receive funding for this project is the Metropolitan Atlanta Rapid Transit Authority located at 2424 Piedmont Road NE, Atlanta, GA 30324. The Metropolitan Atlanta Rapid Transit Authority would use this funding to install anti-climb, anti-cut fencing around bus and railyard facilities to prevent unauthorized access to hazardous and dangerous locations while protecting rail vehicles, buses, and equipment. The project is an appropriate use of taxpayer funds because it will secure taxpayer-funded vehicles and equipment from possible damage and prevent injury due to unauthorized access to dangerous locations..

The project has a federal nexus because the funding provided is for purposes authorized by section chapter 53 of title 49 of the United States Code.

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
