The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Newton County Salem Road Utility Relocation Project in Fiscal Year 2026. The entity to receive funding for this project is the Newton County Water and Sewage Authority located at 11325 Brown Bridge Road, Covington, GA 30016. The Newton County Water and Sewage Authority would use this funding to relocate 15,640 feet of critical water main ranging from 6 to 16 inches in diameter, 75 valves, 26 fire hydrants, and 1,050 feet of 10-inch sewer piping. The project is an appropriate use of taxpayer funds because it will stabilize the public water and sewer system infrastructure, directly benefiting 13,485 people.

The project has a federal nexus because the funding provided is for purposes authorized by section 42 U.S.C. 5305(a)(2).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott  
Member of Congress
