The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Stockbridge Willow Springs Clean Water Project. The entity to receive funding for this project is the City of Stockbridge located at 4640 North Henry Boulevard, Stockbridge, GA 30281. The City of Stockbridge would use this funding to replace wastewater infrastructure in the Willow Springs Neighborhood. Specifically, the project will replace 2,245 linear feet of force main and upgrade manhole and air release infrastructure. The project is an appropriate use of taxpayer funds because it will improve wastewater infrastructure in the City of Stockbridge.

The project has a federal nexus because the funding provided is for purposes authorized by section 603(c) of the Clean Water Act, 33 U.S.C. 1383(c).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
