March 20, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Stockbridge Willow Springs Drinking Water Project. The entity to receive funding for this project is the City of Stockbridge located at 4640 North Henry Boulevard, Stockbridge, GA 30281. The City of Stockbridge would use this funding to replace failing water distribution pipes and replace lead service lines with new, lead-free service lines. The project is an appropriate use of taxpayer funds because it will ensure access to clean drinking water for residents of Stockbridge and remove lead from local water services infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
