The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Gwinnett County Walton Court Booster Station in Fiscal Year 2026. The entity to receive funding for this project is the Gwinnett County Board of Supervisors located at 75 Langley Drive, Lawrenceville, GA 30046. The Gwinnett County Board of Supervisors would use this funding to upgrade the booster station facility, including installing a standby power source and updating the existing electrical system. The project is an appropriate use of taxpayer funds because it will serve the growing demand for safe drinking water to tens of thousands of residents and visitors to Georgia's 13th Congressional district and ensure residents have sufficient water pressure.

The project has a federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
