WELCOME LETTER

Greetings,

I am honored to share our Year End Report with you. As your Congressman, I have created thousands of good paying jobs, increased access to healthcare, and expanded federal programs to help our community and safeguard our Democracy.

My staff and I worked hard to deliver results to you and your family. As such, we provided financial assistance, awarded scholarships, coordinated free COVID-19 testing, provided food assistance, secured home mortgage relief, and supported our frontline workers.

In addition, we secured \$120 million to help our veterans, \$80 million for scholarships for students to attend African American 1890's Land-Grant Colleges and Universities, and \$380 million in funding for new roads and interstate highways.

I humbly appreciate you allowing me to continue making progress in our community and be your strong voice in the United States Congress.

And, as always, whenever my staff and I can help you—please call on me.

Sincerely,

Congressman David Scott

Congressman David Scott Addresses the Media about the Need for Increased Food Assistance with his Participants

From Left to Right

- **Clayton County Commission Chairman Jeff Turner**

Congratulations Jessica-Alexis Okafor, Jayden Braxton, Kelli Crews, and Jorryn Bellinger who each received a 2020 CBC Spouses Education scholarship.

I was proud to welcome Adebola Adewale and her family from Douglas County to Washington to see her artwork on display in the Capitol.

Congratulations to Trenton Griffin from Douglasville on being nominated to the U.S. Air Force Academy.

Securing Funding For the USPS

While the USPS has historically funded itself, the COVID-19 pandemic has accelerated their ongoing financial issues. And, I have consistently supported efforts to ensure that the USPS stays well-funded.

While I was pleased to vote for the **CARES Act**, which provided a \$10 billion line of credit for the Postal Service, it was not enough to make up for lost revenue due to the resulting economic downturn. Therefore, I sponsored **H.R. 6425, the Protect Our Post Offices Act**; **H.R. 8015, the Delivering for America Act**; and **H.R. 8406, the HEROES Act**, all of which would provide critical emergency appropriations for the United States Postal Service.

H.R. 8015

DELIVERING FOR AMERICA ACT

- ✉ \$25 billion to support the Postal Service.
- ✉ Prohibits the removal of mailboxes.
- ✉ Prohibits the removal, decommissioning, or other stoppage of mail sorting machines.
- ✉ Requires the Postal Service to treat all official election mail as First-Class mail.
- ✉ Reverses any changes already implemented to the operations or policies of the Postal Service that delay mail delivery.

Congressman David Scott voted to pass **H.R. 8015, the Delivering for America Act** in August to secure essential resources for the United States Postal Service.

TRANSPORTATION

Securing Funding For Roads, Bridges, & Highways

GA-13 includes the fastest growing counties in Georgia. The key to building and maintaining strong infrastructure is to secure funding for projects to improve our current roads, bridges, highways, and public services and to seek new investments that expand access and interconnectivity.

As such, I was proud to cosponsor and vote for **H.R. 2, the Moving Forward Act**, to provide critical funding to help rebuild our roads, bridges, and transit systems.

Securing Housing Assistance

I sponsored **H.R. 1988, the Protecting Affordable Mortgages for Veterans Act**, to promote affordability and preserve strong refinancing requirements for veterans.

This bill is a key step forward in ensuring that our nation's beloved veterans can achieve homeownership and pay their monthly payments.

And, I sponsored **H.R. 6729, the COVID-19 Homeowner Assistance Fund Act of 2020**, establishing a \$175 billion fund to help homeowners and renters pay their mortgages, rent, and their water, electricity, and gas utility bills.

CORONAVIRUS EMERGENCY AID | HOUSING ASSISTANCE

“

Homeownership is the foundation of family financial security and state and local government financial security.

As Congress acts to address COVID-19 and our economic crisis, we must make sure that our families have housing security and financial stability to withstand these troubling times.

Working Hard and Delivering Results

I wanted to thank you for having faith in me and selecting me to attend the United States Naval Academy. I am entering my junior year at USNA which means I will sign my 7-year contract. Thinking about the journey brought tears to my eyes and none of it would have been possible without your recommendation sir. God bless and thank you for everything.

- **Jamel B. | Douglasville, GA**

After having to leave my job as a school program director to take care of my son, I filed for a federal tax return with the IRS. For months, I was not able to reach anyone – and this pandemic only made things worse. Once I reached out to Congressman Scott's office, I received a prompt response from a caseworker who got me in touch with the Office of the Taxpayer Advocate. Thanks to this office I was able to get assistance for my son and I.

- **Kandyce G. | Jonesboro, GA**

I had an issue with my mortgage company in which they misrepresented my payments. I reached out to your office and you made sure that they reversed all negative information. Thank you for not letting them take advantage of our U.S. veterans.

- **Eric L. | Austell, GA**

Special thanks to Congressman David Scott and his office for helping us obtain our daughter's passport when there were no other alternative or viable options. Your staff was very prompt in responding to our emails and relayed all the necessary information and steps to ensure we received the passport in a timely manner. What seemed impossible at first glance was made possible with the help of this office. Words cannot express our gratitude, thank you again.
