Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **the College Park South East Sewer Wastewater Pump Station Project** in fiscal year 2023. The entity to receive funding for this project is **the City of College Park**, located at **3717 College St. College Park, GA 30337**. The funding will be used for engineering, survey, testing, and construction of the College Park South East Sewer Wastewater Pump Station, replacing the current 43-year old system that pumps 80 percent of the city's wastewater. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
