Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Enhancing Georgia's Poultry Science Impact through Innovation and Collaboration** in fiscal year 2023. The entity to receive funding for this project is **the University of Georgia College of Agricultural and Environmental Sciences**, located at **147 Cedar St. Athens, GA 30602**. The funding would be used to train the next generation of poultry scientists to dramatically increase capacity for instruction and research to support Georgia's multibillion-dollar poultry industry. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott  
Member of Congress
